

First Organizational Meeting Notes

The West Euleless Neighborhood Alliance (WENA) is very grateful to Councilman Leon Hogg, Mayor ProTem for the City of Euleless for moderating their organizational meeting on Thursday, April 24, 2008. He outlined for our members how best to negotiate a lease as well as giving helpful hints on organizing our group. As a direct result of Mr. Hogg's request, many of our members volunteered to act as Block Captains to continue our push to find others who wish to join us. We also had many members volunteer to negotiate and we are in the process of selecting a team to negotiate for our group. Many of our members were so generous with their donations to help with expenses when informed of the need, but there is still a need for additional funds to cover expenses already expended and for anticipated needs. We encourage each member to contribute to the cause. We are grateful to each of you for your support as we continue to work toward getting a better lease for the best price for our members from one of the three drilling companies who continue to contact many of our members.
