

2nd WENA Meeting Summary

The West Euleess Neighborhood Alliance (WENA) met May 29, 2008. David Schmidt, an organizing team member, moderated the meeting. After David introduced our Block Captains and Negotiating Team, he recognized those who have taken leadership roles and thanked Restoration Church for providing a meeting place for our group. Next, David discussed our progress, gave members information about education resources and encouraged those who haven't yet signed an MOI (Memorandum of Intent) to do so. Last on our agenda was a question and answer session in which many of our members participated. It was noted that things are heating up in our neighborhood with more offers from landmen, which is a good sign. Finally, David stated emphatically that **WE WILL CONTACT YOU BY EMAIL, WEBSITE OR PHONE ONCE WE HAVE A FIRM GOOD OFFER. EVERYTHING ELSE IS JUST RUMOR** and should be treated as such. David reminded the members that while there is no cost to join our group, we do accept donations to help defray the costs of printing, cell phone, website, postage, yard signs, etc. David closed the meeting by announcing that we will have another meeting soon and will post that information on our yard signs as well as contact each member via email or telephone.
